

Supporters Shop. Youth Benefit. Easy!

We are participating in an effortless, easy, and powerful fundraising opportunity offered by Albertsons, the Community Partners program. In an effort to keep our club fees low, and provide more programs for our members, including more test sessions, parties, and gatherings, we need YOUR help!

What is Community Partners?

- Community Partners is an effortless way for non-profit organizations that benefit children to raise funds through everyday purchases made at Albertsons grocery stores, Albertsons.com, Sav-On-Drugs, or Osco Drugs.
- Giving back for youth. One cart at a time.

Here's How it Works

- You register your existing Albertsons grocery store loyalty card for use in the program
- Albertsons grocery stores, Sav-On-Drugs, Osco Drugs and Albertsons.com will make contributions to your chosen group (THAT'S US)
- You shop for groceries and Albertsons sends us cash! How wonderful is that! Beats going door to door, doesn't it?
- Registering with Community Partners will not take benefits away from other organizations you support through them. You can support up to four organizations and you get to decide what percentage you want going to each.
- Here's the best part! You can even have family and friends that have Albertsons, Sav-on-Drugs, and Osco Drugs in their area register their cards and enter our member number, and we can earn even more donations. We like that!!! They just have to register their cards, like us, and shop at the participating merchants in their area of the country. It costs them nothing and the payoff for our members is HUGE! Beats them having to donate to our kids' new skate fund, doesn't it.

Registration is simple – register today!

- Log on to www.Albertsons.com and click on “In the Community” tab. Click on the Community Partners link and enter the shopper’s area. Enter your preferred savings card number and phone number that was used when registering the card. Now you can log in and check on your account. Next you want to add a partner and this is where you will need to enter our 11 digit Community Partners ID. Our ID # is 49001015700. That’s it!
- If we are the only organization you are supporting type in 100%, if you are supporting more than one organization put in the percent that you want to go to the Club and adjust the other organizations you are supporting accordingly. Once you type in the percent coming to the club, you may also remove a partner if you do not want to support another organization.
- Your purchases are tracked and available to you online, allowing you to see just how much you are earning for the Las Vegas FSC

Don’t forget our member number! It is 49001015700!
