

Okay, Las Vegas Figure Skating Club members!

This is for real, the **EASIEST** way to earn money for the Club and you don't even need to spend a dime! I mean this is **FREE MONEY!** No selling, no work, just do what you always do on the computer.

GoodSearch.com is a search engine you use instead of Google or other search engines, and every time you search something we get a penny. How can they afford to do this? Advertisers! But don't worry! You won't see ANY pop up advertising.

GoodShop.com is similar in that you go through GoodSearch to make internet purchases you would normally make, except that **WE get MONEY!**
Free money! 😊

So, here's their sales pitch, & it's a good one!

- What if Las Vegas Figure Skating Club earned a penny every time you searched the Internet?
- Or how about if a percentage of every purchase you made online went to support our cause?

WELL, NOW IT CAN!

- **GoodSearch.com** is a Yahoo-powered search engine that donates half its advertising revenue, about a penny per search, to the charities its users designate
- **GoodShop.com** is a new online shopping mall which donates up to 37 percent of each purchase to your favorite cause!
- Hundreds of great stores including Amazon, Target, Gap, Best Buy, eBay, Macy's, and Barnes & Noble have teamed up with GoodShop and every time you place an order you'll be supporting your favorite cause

How to do it?

- Just go to www.goodsearch.com and be sure to enter **Las Vegas Figure Skating Club** as the charity you want to support in the box marked, “Who do you GoodSearch for?”
- Put in the words you want to search and click “Search”
- Just make sure you put in our organization’s name so we get the money
- You can keep track of how much we are earning by clicking the “Amount Raised” button underneath. It’s fun!

How to make even more money for the Club?

- Tell all your family and friends about GoodSearch and GoodShop
- The more people that use GoodSearch and GoodShop on behalf of our cause, the more money it will raise!
- A simple email to spread the word can go a long way!

So, how much difference do they actually make for the Las Vegas FSC??

- More than 700 of the top Internet retailers & travel sites have joined forces to donate to your favorite charity or school at no additional cost to you
- 64,000 nonprofits are now on-board
- To give you a sense of how the money can add up, the ASPCA has already earned more than \$17.000!
- They have been featured in the NY Times, the Wall Street Journal, CNN, Oprah Magazine, and more

FINALLY . . .

PLEASE join us and do this. It is SO easy and you will get no pop ups and no spam, and it is just as fast and efficient as any other search engine! Figure skating is expensive and we try to keep the costs down, but we do as a Club have expenses. Everyone is busy so fundraising is time consuming and difficult. This is literally no work whatsoever and the potential profits are AMAZING! I know it seems like a penny a search is not much, but it adds up. Think of how many times per day you search Google or other search engines for information! Between work and school and entertainment, it is more than you think!

“Take care of the pennies and the dollars will take care of themselves.”

[Someone famous said this but I don't know who. I'll go GoodSearch it and get back to you . . .]

If you have any questions, please email this program's coordinator, Abby Dickson, at eryoko@cox.net ! She will get you going.
